

Media Mayhem Corporation Names Industry Renowned Jamie Ashe as VP of Business Development

Los Angeles, CA, April 22, 2008 --(PR.com)-- Media Mayhem Corporation has named Jamie Ashe as VP of Business Development. Ms. Ashe is one of the most respected and well-known women in advertising today. She has had an extensive and highly recognized career in advertising. Ms. Ashe has been awarded the 'Top Sales Person of the Year' award each year while at AOL Time Warner. She then became the top sales person in her division while at Microsoft Corporation. She again made impressive contributions while employed at ValueClick Media and Vendare Media. Over the last decade Jamie has been invited to speak at advertising conventions such as Ad-Tech in New York. Ms. Ashe was selected as one Microsoft's 'Top 500 Executives In The World' at the Summit in Washington. Ms. Ashe is recognized as one of the most powerful female executives in the advertising industry for her strength and abilities and demonstrated through the numerous award-winning marketing campaigns for her clients.

According to Jeff Chi, Chief Executive Officer of Media Mayhem Corporation, “We are extremely pleased to welcome Jamie Ashe to the Media Mayhem team. We feel Jamie's extensive abilities and knowledge of the industry is a perfect match for the continuous growth of the company.”
